SPECIAL TRIBUTE ΕΙΔΙΚΟ ΑΦΙΕΡΩΜΑ

Women in Video art | Οι γυναίκες στην Video Art

In its twentieth edition, the Athens Digital Arts Festival, honoring its roots and identity, pays tribute to the pioneering women of video art and digital arts. Over the years, the festival has focused on female creators, aiming to highlight their work and their impact within this predominantly male-dominated field. Thus, there couldn't be a more fitting tribute for its anniversary edition. The festival will showcase works from a range of highly significant creators who have left their mark on the history of art, in a room specially dedicated to the female perspective in video art. Names such as Shigeko Kubota, Pipilotti Rist, and Judith Barry are just a few of those featured in this extraordinary tribute.

Στην εικοστή διοργάνωσή του το Athens Digital Arts Festival τιμώντας τις ρίζες και την ταυτότητά του αποτιμεί φόρο τιμής στις πρωτοπόρες γυναίκες της βίντεο τέχνης και των ψηφιακών τεχνών. Το φεστιβάλ έχει ανά τα χρόνια επικεντρωθεί σε γυναίκες δημιουργούς, προσπαθώντας να αναδείξει την δουλειά τους αλλά και την επίδρασή τους μέσα σε αυτόν τον ανδροκρατούμενο χώρο και έτσι δεν θα μπορούσε να βρει πιο ταιριαστό αφιέρωμα για την επετειακή του διοργάνωση. Το φεστιβάλ θα δείξει έργα από μια σειρά από πολύ σημαντικές δημιουργούς που άφησαν και αφήνουν ιστορία στην ιστορία των τεχνών σε ένα δωμάτιο ειδικά αφιερωμένο στην γυναικεία ματιά στην βιντεοτέχνη. Ονόματα όπως η Shigeko Kubota, την Pipilotti Rist, τη Judith Barry είναι μόνο μερικά από αυτά που φιλοξενούνται στα πλαίσια του αφιερώματος μας.

MAPPING PROJECTION TOURNAMENT ΔΙΑΓΩΝΙΣΜΟΣ MAPPING PROJECTION

Get ready for a spectacular visual feast, for our 20th anniversary as an exclusive mapping contest featuring some of the important artists in projection mapping is part of our festival program. Paying our tribute to the medium who made us (video) with a contemporary twist(mapping technique) and our history as the institution who organizes the most important video mapping events in the country, after sundown the audience will have the opportunity to immerse themselves in a breathtaking display of light, color, and animation in the facade of our main venue. Witness with us the convergence of art and technology in a dazzling celebration of creativity.

Ετοιμαστείτε για ένα εντυπωσιακό οπτικό θέαμα, με αφορμή την εικοστή επέτειό μας, καθώς ο αποκλειστικός διαγωνισμός video mapping με μερικούς από τους σημαντικότερους καλλιτέχνες του είδους αποτελεί μέρος του κεντρικού μας προγράμματος. Αποτιμώντας φόρο τιμής στο μέσο καταβολής μας (το βίντεο), με μια σύγχρονη πινελιά (την τεχνική mapping), αλλά και την ιστορία μας ως φορέα που διεκπεραιώνει τα σημαντικότερα video mapping γεγονότα στη χώρα, οι θεατές μετά το ηλιοβασίλεμα θα έχουν την ευκαιρία να εμβυθιστούν σε μια εκπληκτική παράσταση φωτός, χρώματος και κινούμενων σχεδίων πάνω στην όψη του κεντρικού μας κτιρίου. Απολαύστε μαζί μας τη σύγκλιση της τέχνης και της τεχνολογίας σε μια λαμπερή γιορτή δημιουργικότητας.

OUTDOOR INSTALLATION ΥΠΑΙΘΡΙΑ ΕΓΚΑΤΑΣΤΑΣΗ

FLUX 2023

FLUX is a huge interactive light outdoor installation brought to the city of Athens by Athens Digital Arts Festival for its 20th anniversary. Strategically placed on Justice Square in the very heart of Athens, next to our main venue, Flux will give the opportunity to the audience to endlessly play with a statement piece, a commentary upon the revelation of hidden algorithms that shape our online encounters at the speed of light. An immersive experience pushing the technical aspects of digital interaction to the maximum inspired by the ways that modern technology pushes communication to its limits.

Το FLUX είναι μια τεράστια διαδραστική εγκατάσταση φωτός που φέρνει το Athens Digital Arts Festival στην πόλη των Αθηνών με αφορμή την εικοστή επέτειό του. Στρατηγικά τοποθετημένο στην Πλατεία Δικαιοσύνης, στην καρδιά της Αθήνας, δίπλα στον κύριο χώρο διεξαγωγής του φεστιβάλ, το FLUX, δίνει την ευκαιρία στο κοινό να παίξει ατελείωτα με ένα έργο “δηλωσ”, που αποτελεί σχόλιο στις διαδικτυακές μας επαφές αλλά και την αποκάλυψη των κρυφών αλγορίθμων που την διαμορφώνουν και της επιτρέπουν να τρέχει με την ταχύτητα του φωτός. Μια εμπυθιστική εμπειρία που σπρώχνει τις τεχνικές πτυχές της ψηφιακής αλληλεπίδρασης στο μέγιστο, εμπνευσμένη από τους τρόπους με τους οποίους η σύγχρονη τεχνολογία ωθεί την επικοινωνία στα όριά της.

PERFORMANCE

Uncanny Valley

Rimini Protokoll (DE)

Uncanny Valley is a theatrical play by Stefan Kaegi of the renowned theatrical team Rimini Protokoll. In exploring the concept of robots, Stefan Kaegi delves into the complex relationship between humans and machines. While robots in German industry prioritize efficiency over human resemblance to avoid emotional entanglements, Asian counterparts blur the lines between man and machine, facilitating acceptance through humanoid features. However, this resemblance can evoke mistrust, leading to what Japanese researchers term the "uncanny valley." Kaegi's collaboration with playwright Thomas Melle introduces an animatronic double, raising profound questions about identity, self-awareness, and the dynamics between original and copy.

Η παράσταση Uncanny Valley ή αλλιώς η κοιλάδα του ανοίκειου είναι μια θεατρική παράσταση από τον Stefan Kaegi, της γνωστής θεατρικής ομάδας Rimini Protokoll.

Στην εξερεύνηση της έννοιας του ρομπότ, ο Stefan Kaegi εμβαθύνει στην πολύπλοκη σχέση μεταξύ ανθρώπων και μηχανών. Ενώ η γερμανική βιομηχανία, όσον αφορά τα ρομπότ, δίνει προτεραιότητα στην αποτελεσματικότητα παρά στην ομοιότητα με τον άνθρωπο αποφεύγοντας συναισθηματικούς δεσμούς, στην ασιατική βιομηχανία αρέσκεται να θολώνονται τα όρια μεταξύ ανθρώπου και μηχανής, μέσω ανθρωπόμορφων χαρακτηριστικών που διευκολύνουν τον άνθρωπο στην αποδοχή τους. Ωστόσο, αυτή η ομοιότητα, συχνά μπορεί να προκαλέσει δυσπιστία, οδηγώντας σε αυτό που οι Ιάπωνες ερευνητές ονομάζουν "κοιλάδα του ανοίκειου- uncanny valley".

Η συνεργασία του Kaegi με τον θεατρικό συγγραφέα Thomas Melle παρουσιάζει ένα ρομποτ/animatronic δίδυμο, θέτοντας βαθιές ερωτήσεις σχετικά με την ταυτότητα, την αυτοσυνείδηση και τη δυναμική μεταξύ πρωτοτύπου και αντιγράφου.
